VOLUME #32

WARWICK BATTLES EPHRATA

Here come the "mighty" WARRIORS.

One of the football team's dedicated staff members, Mr. Barbato, anxiously watches the game.

Homecoming activities drew hopeful crowds from in and around the Warwick District on November 17, 1987. Paramount on that day was the Warrior-Mount football game. Aware that this would be a difficult game, Coach Fuhrman and players alike invested many hours of practice in preparation for the battle with Ephrata. The outcome, however, was disappointing for our home team with a score of 31-0. Although this game was not the highlight of the 1987 football season, our spirit was not dampened for the homecoming activities to be held that evening.

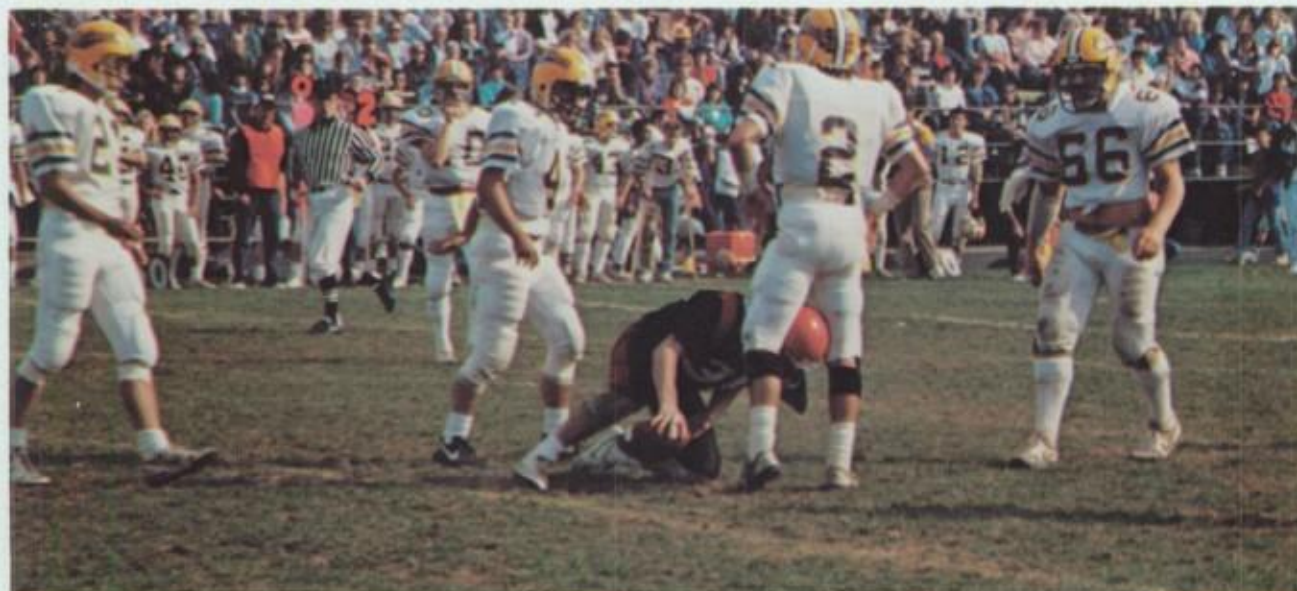

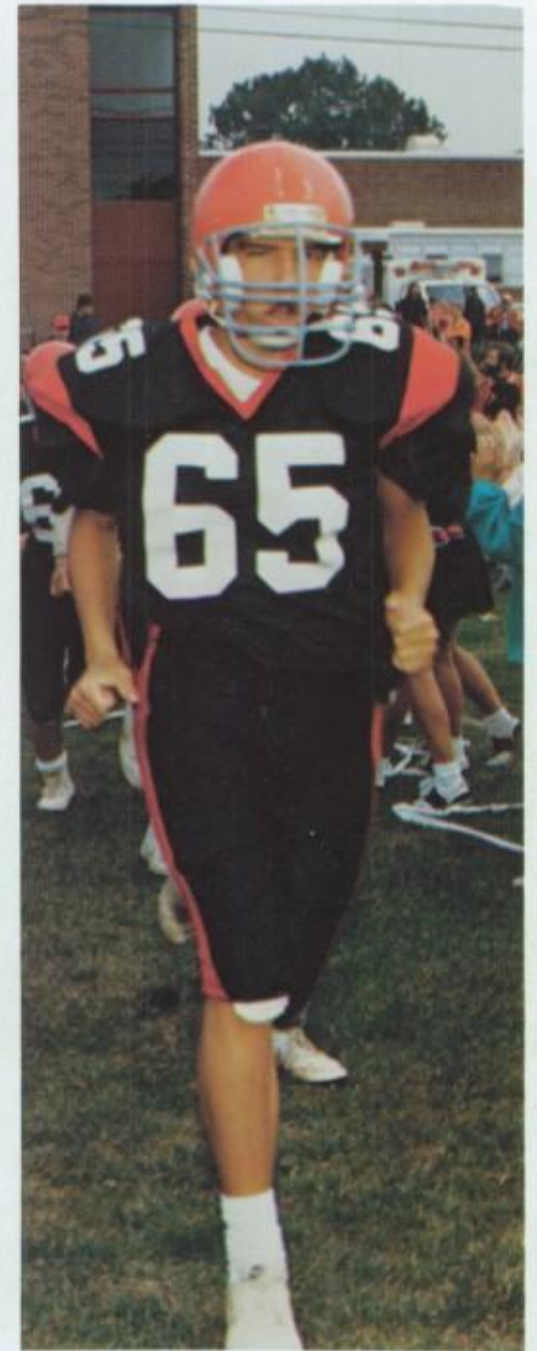

The Warriors are ready to charge their opponents.

And they're off!

A Warrior prepares to tackle his adversary.

Is that a first down?

Where did he go?

CROWNING OF THE QUEEN AND HER COURT

The 1987 Homecoming Court: Row 1 — Brittany Johnson, Dawn Hollis, Amy Nuss, Kerry Buckwalter, Deb Haddad, Amy Landis. Row 2 — Sonya Weber, Maura Rowlands, Angie Forry, Gretchen Byler, Stephanie Keebler, Jenny Swan.

Amy and Jenny pose before they begin their trek around the football field.

First runner-up Amy Nuss poses with second runner-up Amy Landis.

Homecoming escort Keith Groff watches as Julie Turano crowns the 1987 Homecoming Queen, Deb Haddad.

Halftime at this year's homecoming game brought the crowning of Deb Haddad. Last year's queen, Julie Turano, was on hand to pass on the crown to yet another queen. Deb was escorted by Keith Groff. First runner-up was Amy Nuss, who was escorted by her brother, Steve. Second runner-up was Amy Landis, who was escorted by Tom Reynolds. Congratulations to the entire 1987 Homecoming court for participating in this special day's activities.

The class of '88 takes first place again!

Class of '90 portrays "The Three Little Pigs".

Class of '91 prepares to enter the field with their homecoming float.

Class of '89 gives their version of "The Old Woman in the Shoe".

HOME— COMING DANCE

As the month of October commences, Homecoming activities become a reality to nine senior girls who have waited patiently for their turn to be crowned as the 1988 Homecoming Queen. Three underclassmen candidates are also selected to represent each of their classes. The votes are counted and twelve lucky court members are named:

MAURA KAY ROWLANDS, ANGELA JO FORRY, DEBRA JOYCE HADDAD, BRITTANY JOHNSON, JENNIFER SUE SWAN, AMY JO LANDIS, AMY MICHELE NUSS, KERRY LYNN BUCKWALTER, GRETCHEN JOY BYLER, STEPHANIE LYNN KEEBLER, SONYA ANN WEBER, DAWN RENEE HOLLIS.

The Homecoming festivities are underway! Although this season brings with it fun, floats, and finding just the right date for the "big night", anxiety runs high as the 17th draws nearer. One question seems to plague the Warwick population: "What can go wrong Homecoming day?" The Editors of this year's *Warrian* asked some students to share with us their greatest inhibitions, and reservations about that special day.

"Just imagine . . .

. . . the heel on your shoe could break . . .

. . . you could lock your keys in your car . . .

. . . your date might have forgotten to make reservations for dinner . . .

. . . you might forget your wallet . . .

. . . the car could stall . . .

. . . one of the girls could trip . . .

. . . your hair could wilt . . .

. . . what if he doesn't show up on time? . . .

. . . what if he doesn't show up at all? . . .

. . . he could bring a plastic corsage . . .

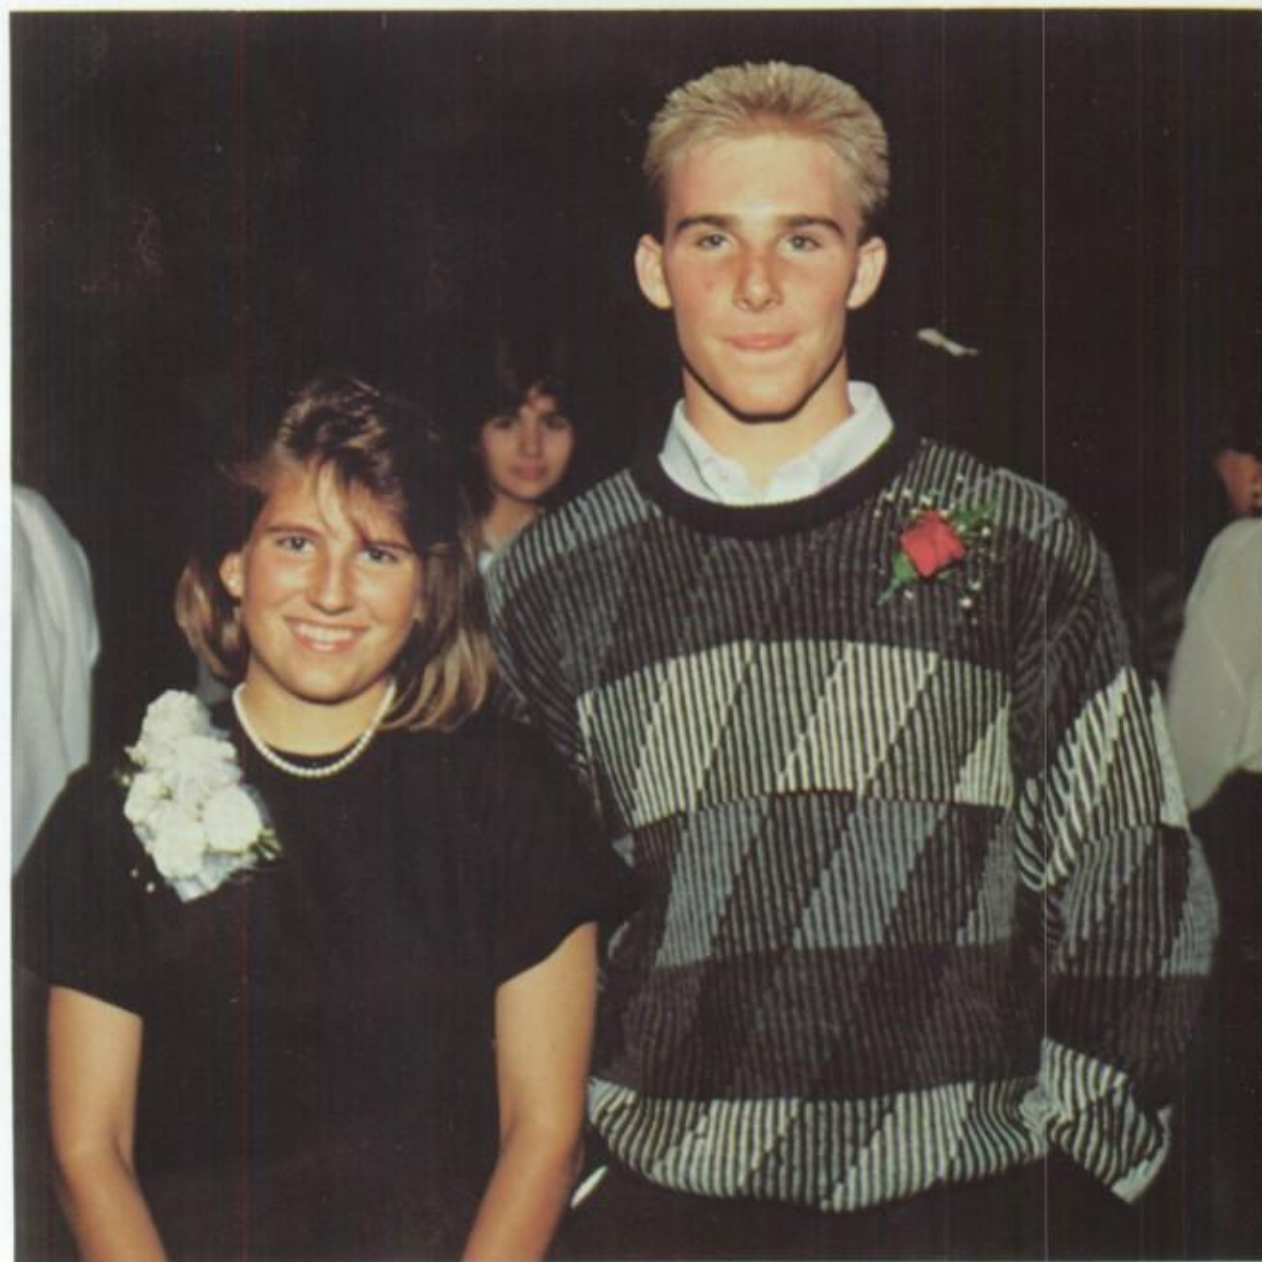

. . . she could wear a dress that leaves no room to pin the corsage . . .

. . . it could RAIN . . .

. . . we might, no, well, we might LOSE! . . .

Chris Mitchell and Keith Schneider spin the hits at the dance.

Kerry Buckwalter and Jeff Martin take time out to smile for the photographer.

Students socialize during a break in the dance.

Mike Koch and Denise Bortz dance the night away.

Miss Smith and Mr. Stutzman take time out to chaperone the dance.

Phil Marks and Stephanie Keebler celebrate homecoming together.

THE CLASS

OF 1988

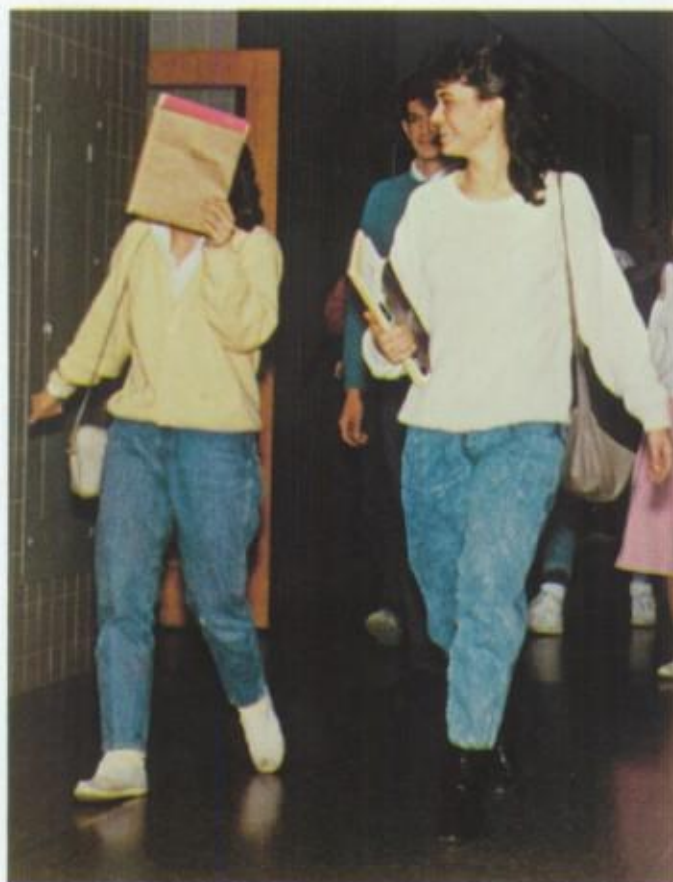

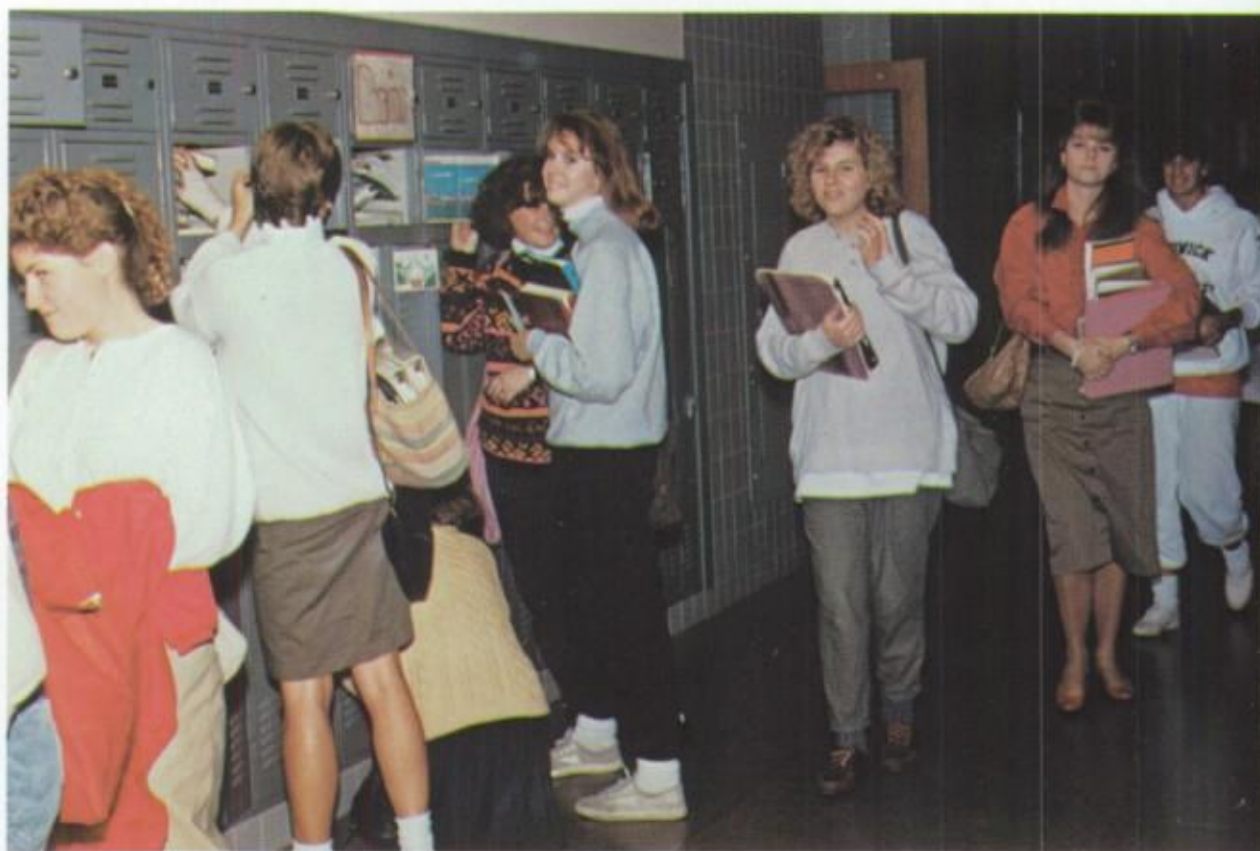

GOSSIP IN THE HALLS

Look what she has on! Did you hear that? When did they start going together? Did we have homework? What did you get on your Algebra test? Do you work tonight? Every day these and many more questions like these can be heard throughout the halls here at Warwick. While classes are in process, the halls are quiet and almost deserted, but when the bell rings for classes to dismiss, look out! All over the building, from every direction students begin to pour out of every room. Traffic jams on each staircase. Students running to get to classes on time and students stopping to chat with each other in the hallway are a daily occurrence. At the end of each school day, when the last bell rings, more questions can be heard. What time is practice? When do we have a spelling test? What time should I pick you up? How long does the Practical Ec. test take? Look at that dress! They are made for each other. Can you take me home? See you tomorrow.

Students digging through their lockers is a typical scene each school day at 7:50 a.m.

As the bell rings, students from every room rush to their next classes.

Debbie Steeley and LeAnn Wachob rush by our photographer in an attempt to get to class on time.

Missy Krout stops to catch up on some news in the hallway.

Students crowd the hallways in the hustle to get to class.

Nancy Scott gives us a smile on her way to class.

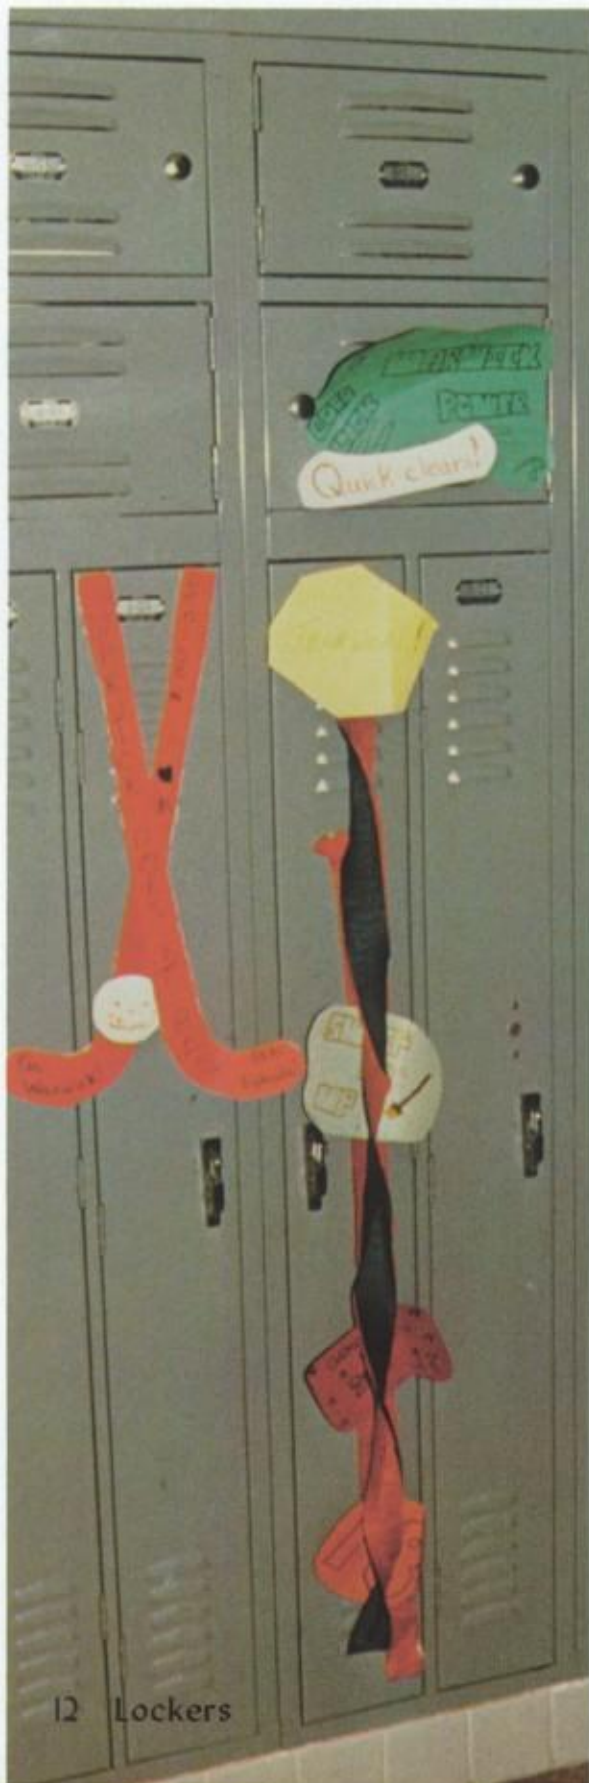

Sonya and Dave saunter down the hall.

THE IN'S AND OUT'S OF LOCKERS

When arriving each year on the first day of school, one of the first things assigned to every student is a locker. Webster defines a locker as: "An enclosure that may be locked, especially one used by a person at a gymnasium or public place, for safekeeping of clothing and valuables." A Warwick High School student defines a locker as: "A long and narrow metal closet to keep books, jackets, folders, and sport bags in." The order in which each student keeps his or her locker is different for everyone. Some students keep their lockers neat, clean, and organized. Just as their room, each book has a special place all of its own. Other students keep their lockers unorganized and junky. In their haste to get their books between each class, they automatically just throw their books in it.

As one walks down the hallway between classes, many different items can be found in people's lockers. Everything from rock groups to pictures of both friends and families can be sighted. In addition to pictures and books, many times a student has his or her locker decorated for a sporting event. This can make a person's spirit soar for the upcoming events.

Spending valuable time unjamming lockers, collecting fallen books, and searching for folders and misplaced papers is a main part of every student's daily routine. By the end of the year, a wide assortment of old tests, homework papers, candy wrappers, and all those pencils that were lost in the shuffle can be recovered. So, the next time you are walking through the halls, take a moment out of the hustle and bustle and see how many different and unusual lockers you can find.

She likes America and the people she's met — "The food is good, too, especially hot dogs." Shopping hours differ here so that our exchange students can browse until nine instead of six. SIMONA ADDS SPICE TO WARWICK

Simona Colantonio is an EF (Educational Foundation) student from a town in Italy about two hours outside of Rome. Here in America, she resides with the Marks family in Rothsville. Comparatively, American schools are less challenging for the future biology major, but she likes our educational system — "The people are very helpful and friendly." Among the interests she cultivates are dancing, surfing, and collecting old stamps. Despite her busy schedule, she saves time for her new-found friends. Before confronting the serious responsibility that college presents, she would like to visit California.

Phyllis Brings Giggles to Warwick

This year Kawi Hung Lo, better known to the Warwick population as "Phyllis", came to Lititz from far away Canton China. The Diebert family welcomed her in early August at which time she didn't much english. Excluding the language barrier, getting acclimated to the American culture was not as difficult as Phyllis imagined it might

be: already she has acquired a taste for apple pie and established a group of American friends. Her greatest experience to date is enjoying the Pennsylvania snowfalls because her home climate offers only two seasons. Although she misses family and friends, scholastic obligations occupy much of her time.

Jobs Out of School

Almost every student at Warwick High School has one kind of a job or another after school hours. The majority of students in Lititz work at either Weis Markets, Stauffers of Kissel Hill, or Burger King. For the adventurous few, they may take a journey into Lancaster and take on a job at Park City. The expenses of college, payments, and an occasional new outfit are just a few of the reasons why students want an after school job. A few of the students want the job so that they can keep busy on those sometimes boring weekday nights. The majority of the students are able to work after school and still have enough time to complete the next day's assignments for school. Students realize as they enter the high school and take part in many social activities, they need and want that extra cash flow of their own and are proud because they don't have to run to mom or dad when they have to attend a special dance.

Many Expenses Highlight the Senior Year

The senior year can be the most exciting but expensive year in high school. Probably the most expensive item to pay for is the senior class trip. Unless, of course, you are one of the lucky people whose parents will pay for the trip, this will use up most of your bank account. In the spring everyone digs deeper into their pockets to find money for the prom. The guys have to rent the tux and maybe rent a 'limo' for the evening. The girls buy their gowns and all the accessories to 'spiff' up their outfit. Meanwhile, yet other expenses include SAT's, and college application fees. Also, since most seniors have cars, they need money for gas, speeding tickets, and repairs. In addition, Seniors with active social lives need money for dates and parties. Near the end of the year, we must pay for graduation invitations and senior week at the shore, not to mention senior pictures for all your friends to remember you by. All in all, the senior year can be the most expensive year, but worth it all.

Monday Morning Blues

Returning to school after a liberating and relaxing weekend is a shock even to the most scholastic student. It happens that Mondays are just about everybody's handicap in the yearlong schedule. Students usually take advantage of Monday's slackened pace to get back into the swing of things and to complete the weekend's homework. If you're lucky enough to have teachers who believe that Mondays just aren't functional, there's no need to study for tests. Usually though, Monday brings with it some leftover responsibility from the previous week. Although for some Monday means the first day of a new week, most sing the Monday blues.

Weekend activities of Students

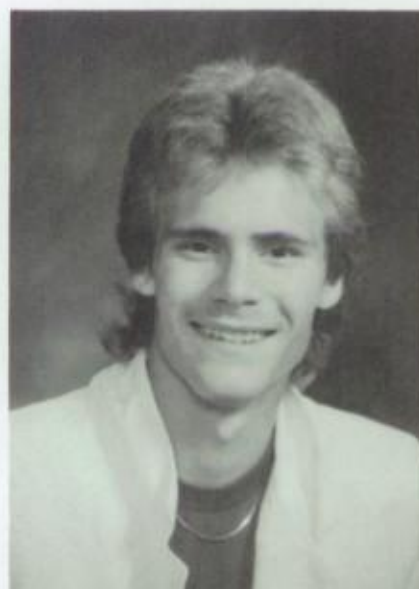

Just as there are many different types of people in our school, there are many different things to do on the weekends. Students that are involved in sports or in the musical often have practice on Saturday mornings. Many people like to go out to see a movie or just like to hang out at a friends house. It is popular to rent a movie and gather a bunch of friends together at a house and watch the movie while munching on snacks and having a good time together. When deciding what to do on an upcoming weekend, keep in mind that the object in getting together is to have a good time with your friends and not so much in what you do.

Memories of Seniors

We came in as freshmen and are leaving as seniors. We have all grown over the past four years, both physically and mentally. But as we traveled this long road — boy, did we have fun?! The question to ask is, what do you remember most when you think of high school? First we asked some teachers. Mr. McCormick remembers a rowdy class where the seniors threw things out the windows on their class trip. Mr. Macik remembers possum hunting. Mrs. Homberger remembers band and cheerleading. But the real question is what do YOU remember? So, I asked some seniors. Some memorable moments are listed:

Better Late . . . Last Minute Homework Done In Odd Places

Traditionally, the word "homework" meant unfinished schoolwork done at home. Well, homework may be to do at home, but how many times does it never get done there. Many times you see people walking down the hall and stopping suddenly, maybe remembering the unfinished homework "*they forgot*" to do last night, or even the night before. These are the people who do that last minute homework in odd places. They do it all over the school. In the halls, at their cars before school, in homeroom, and at their lockers. They even do it in other classes. You've seen it done, and you've probably even done it yourself. It seems like it's somewhat of an old tradition. Our parents and teachers probably did it when they were in school, and now we're doing it, too.

The Wonders of Drivers' Ed.

One of the many privileges of being a sophomore at Warwick is having the opportunity to take Drivers' Education class twice a week for a semester with Mr. Stutzman, Mr. McDonald, or Mr. Bushong. Students get to view many stimulating films, which they are sure they will never forget. Many agree, however, that the class is based on common sense.

For those who are fortunate enough to have their permits, this course not only involves the normal teaching procedure in the classroom, but also that wonderful experience referred to as "Behind the Wheel" to receive his certificate. Everyone considers "Behind the Wheel" to be interesting and enjoyable. The class has its humorous moments, too.

All sophomores agree, that the course generally helps a lot, and everyone feels fortunate that they had the chance to take it.

To Pack Or Not To Pack?

Through the years, it has been my opinion that people exaggerate their dislike for the school's food just because "It's the thing to do." Let's face it, if you walked up to your best friend and said "Gee, that turkey we had for lunch was great!" you'd either get a sarcastic remark like "Oh, yeah, right!, I thought it was last week's left-overs compacted into a small blob!" or a weird look. The following are the results of a survey in which some of you took part. When asked the question what cafeteria food you hate the most the breakfast/lunch won with the fish sandwich and bacon burger tied for second. As for what you like best the Italian Steak came in first, pizza second, and then the cheeseburger. If money were not an option you'd like stromboli or steak.

I got a number of complaints about the "SPORKS" and long lunch lines. As for your comments, they ranged from things like "what food?, I swear it's powdered" to the school's lunches are pretty good." Basically most people don't really hate the school cafeteria food and realize that "they do their best, the food really isn't bad." It all boils down to pack or not to pack, that is the question and it seems most of you do the latter.

Warwick Hockey Team Championship Ever

The hockey team had a tremendous 1987-88 year. The team worked very hard, and it definitely paid off. Their overall record for the year was 21 wins, 4 losses, and 1 tie. The team was the 1987 Lancaster-Lebanon League Section II Champions. They also received the following titles: 1987 District 3 AAA 3rd place honor, and of course the ever so famous 1987 PIAA AAA State Champions. The field hockey team led the Lancaster-Lebanon League in total defense with not allowing a single goal. Defense allowed only 10 goals in 26 games. Kelly McSparran saved 108 shots of 123, allowing only the 10 goals in a total of 26 games. Kelly is credited with a total of 19 shut outs. Kelly also had a series of 11 shut outs in a row. In addition, she has a total of 29 shut outs in her career so far. Denise Heisey had 5 saves, and 4 during state play-off games. Just to name a few of the players who greatly contributed to this victory were all-stars such as: Sonya Weber, Pam Snavely, Maura Rowlands, and Kelly McSparran. Honorable Mentions were given to Kelly Graybill, and Jeanne Mekolichick. Once again, CONGRATULATIONS ON A TERRIFIC AND REWARDING YEAR!!

The 1987 Warriors kept up the Warrior tradition of exciting football. Posting a 4-6 record was the best in recent history. The seniors, led by captains Marc Kauffman, Neil Shelley, and Kevin Weaver, are to be congratulated for their willingness to work hard and their acceptance of our young Warriors. SOCCER KICKS ITS WINNING SEASON

Brian steals the ball while everyone else is in awe!

Craig prepares to nail the ball down field.

I might try out for the Rockettes.

Warwick soccer finished another successful season with a league record of 8 wins, 3 losses, and 1 tie. Their overall record was 11-5-1. Some costly injuries hurt the Warriors' chances for going even farther into playoffs, but they still claimed second place in section III. After a hard struggle in the league playoffs, Hempfield defeated Warwick 3-0. The loss was not only the seniors' last game, but Coach Parke's as well. He is resigning and he will be greatly missed. Players for the All-Star team were: Craig Journey, Pete Ringer, Eric Flickinger, and Dave Stauffer.

Front row L-R: Scott Althouse, Dave Kammerer, Andy Ravegum, Jason Campbell, Brett Hamsher, Hope Arnold. Second Row: Coach Bushong, Chris Johns, Fred Rowlands, Mark Rowland, Brian Batz, Brian Hartz, Kong Yang, Kevin Killian, Charlie Galdino, Mindy Henderson. Third row: Shayne Bushong, Jeremy Young, Keith Wenger, Reid Spangler, Eric Hosler.

The team gathers around to hear the latest gossip.

Just try and stop us now!

WAY INTO ANOTHER

Front row L-R: Mike Kobilic, Chad Hess, Pete Ringer, Craig Journey, Eric Flickinger, Andy Brubaker, Cliff Eberly, Huy Truong. Back row: George Bealer, Greg Cathy, Justin Byler, Dana Clark, Rob Dodds, Brian Kerstetter, Scott Foreman, Buck Hartzell, Rich Stauffer, Dave Schaich, Coach Parke.

Justin stuns his opponents with an impressive kick.

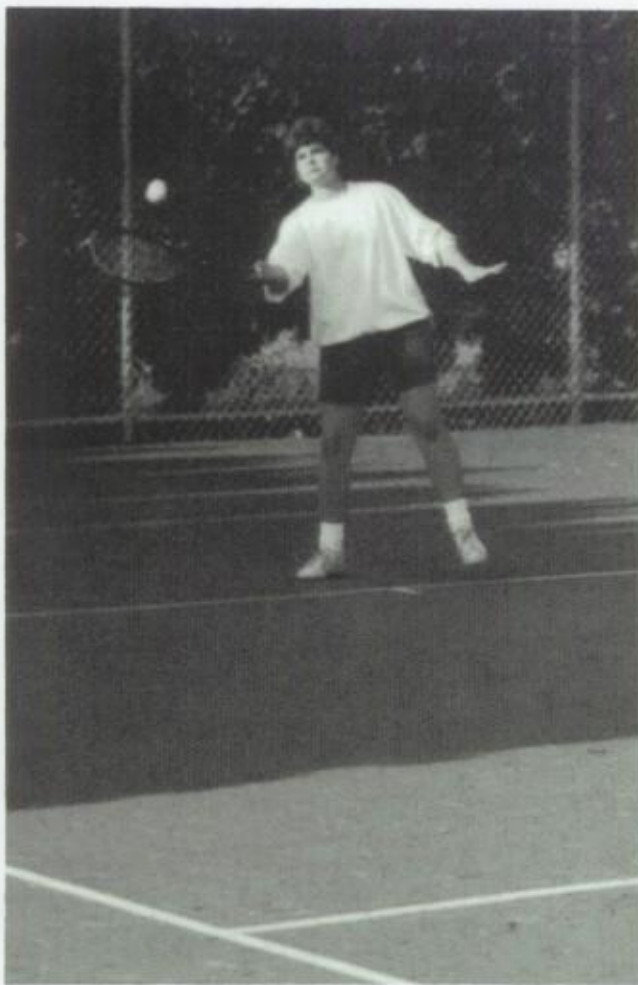

Alright, I won't go that way!

I dare you to try to catch me.

Warwick Tennis

All you have to do is stick the racket out.

I sure hope this shot is a winner.

Look at that ball fly.

The 1987 tennis team had a good season with a 10-3 record. This was good considering there were only two seniors in the top six. The team was impressive, finishing third in the section. Next year there will be four returning varsity players to improve on this year's record. The top six players were: Cathy Hevener, Wendy Foltz, Kathy Bard, Julie Willier, Monica Rosensteel, and Tracey Keller.

Maybe if I hold my arms in closer ... ?

I'll just walk on over and hit the ball.

How do you hold this thing?!

Golf Team Tees Off

Wait, Let's see that again in slow motion.

Whoa, what a SHOT!

Concentration is the only solution.

We entered the season with a number of returning starters and a number of new players. While we were competitive in some of the early matches, we did not hit our stride until mid season. The season's ending success leaves us with anticipation of the new challenges of next year. Steve Keener and Charlie Schroeder both Qualified for the District III tournament.

This shouldn't be too tough.

I wonder how well this thing works?!

A little more to the right.

Congratulations to this year's Girl's Basketball team. They have claimed the Lancaster-Lebanon Section 2 Title with pride, and they well deserved it. The girls were led by senior co-captains Cathy Hevener, and Wendy Kiehl. This year there are going to be 4 terrific seniors leaving the team, who will be very much missed. They are Leanne Weit, Cathy Hevener, Wendy Kiehl, and Kathy Gehman. All four of these girls have contributed all of their time and effort to the team. The entire team deserved a lot of praise for this terrific season they have finished. The team has accomplished a lot, and we wish them the best of luck next year. The Junior Varsity team was led in scoring by Kristen Kometa with 194 points (8.8 average), Kristen Posey with 139 points (7.3 average), and Deb Bucher with 135 points (7.1 average). In rebounding, the team was led by Deb Bucher with 104 (5.5 average), and Krista Carvel with 94 (4.7 average). Jill Musser was 28 for 35 from the foul line to lead the team in foul shooting with an 80% average.

The Varsity Wrestling Team had another outstanding season going 12-2 overall and 8-2 in Section I of the Lancaster-Lebanon League. Highlights of the dual season were a 26-25 come from behind victory over Garden Spot. Warwick was down 25-3 going into the 132 pound bout, and needed a fall by Brett Weit in the heavy weight match to win the meet. Warwick opened the league season against McCaskey and came away with a 21-20 victory. McCaskey finished with a 14-1 record, and a first place finish in the Lancaster-Lebanon League. The Warwick Wrestling Team won the Northern Lebanon Tournament with five champions: 98 Scott Mitchell, 126 Chris Mitchell, 138 Marc Kauffman, 155 Jeff Martin and 185 Brett Weit. The team went on to win the tough Lititz Lions Tournament finishing ahead of state power Quakertown. Warwick crowned four champions, they were 132 Marc Kauffman, 145 Pete Brubaker, 155 Jeff Martin, and 167 Kevin Weaver. Jeff Martin was named the outstanding wrestler of the tournament. In the Sectional Tournament, Warwick placed second behind McCaskey. Seven Warwick wrestlers placed and qualified for Districts, they were: 98 Scott Mitchell (1st), 155 Jeff Martin (1st), 126 Chris Harnish (2nd), 132 Marc Kauffman (2nd), 138 Pete Brubaker (2nd), 185 Brett Weit (2nd) and Kevin Weaver (3rd).

These eleven Warwick students made school history by forming the first swim team at Warwick. The team was coached by Marie Grube. Since the community center is obviously not yet built, they had to practice at the YMCA. These dedicated athletes had to drive into Lancaster every night for their practice. The team compiled a record of 3-5. Since the team is made up of underclassmen, next season looks good for this new team. The following people advanced to districts: Brett Hamsher, Shawn Roth, Jeremy Kroeck, Jason Campbell, Brian Hartz, and Brian Bonsal. Congratulations on a memorable year.

KEPT BUSY SUPPORTING TEAMS THIS YEAR

This year the cheerleading squad was divided into two, a fall and a winter squad. Sixteen girls cheered for each varsity squad, and ten cheered for junior varsity. This worked out really well and will continue next year also.

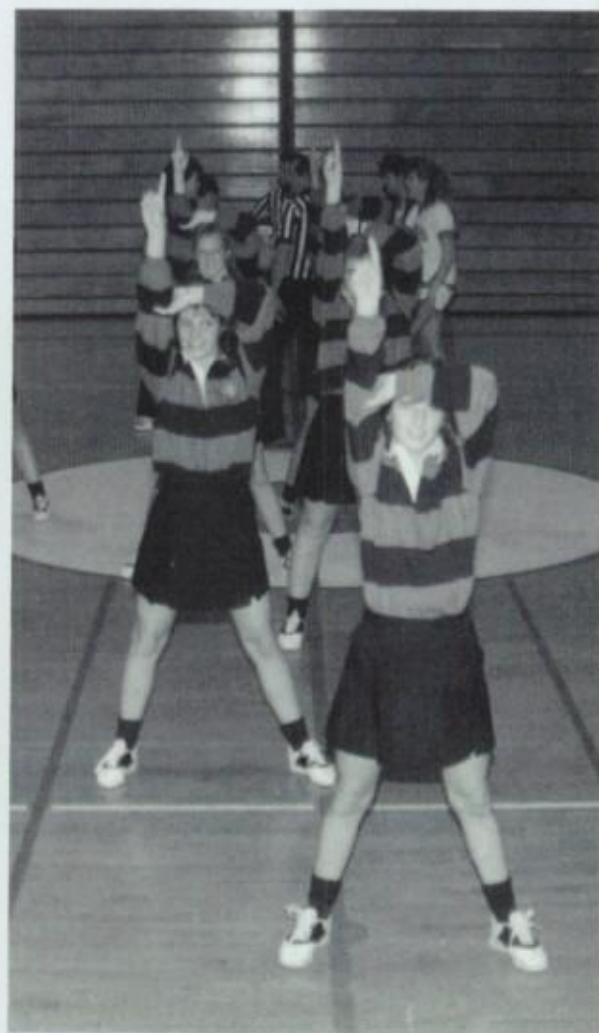

The cheerleaders have a very busy schedule all year long, and they do a great job supporting Warwick's teams. The backbone of these squads were Gretchen Byler and Debbie Haddad for the fall sports, and Gretchen Byler and Amy Nuss during the winter sports. All of our cheerleaders are very much appreciated, especially during our hockey team season. The team went all the way to states, with the cheerleaders following graciously behind. Our terrific seniors we will be losing are: Stephanie Keebler, Sue Randall, Gwen Stauffer, Amy Landis, Gretchen Byler, Julie Wiley, Amy Nuss, Debbie Haddad, Diane Nixdorf, and Tara Carino.

Warwick Vo-Tech Students Plan

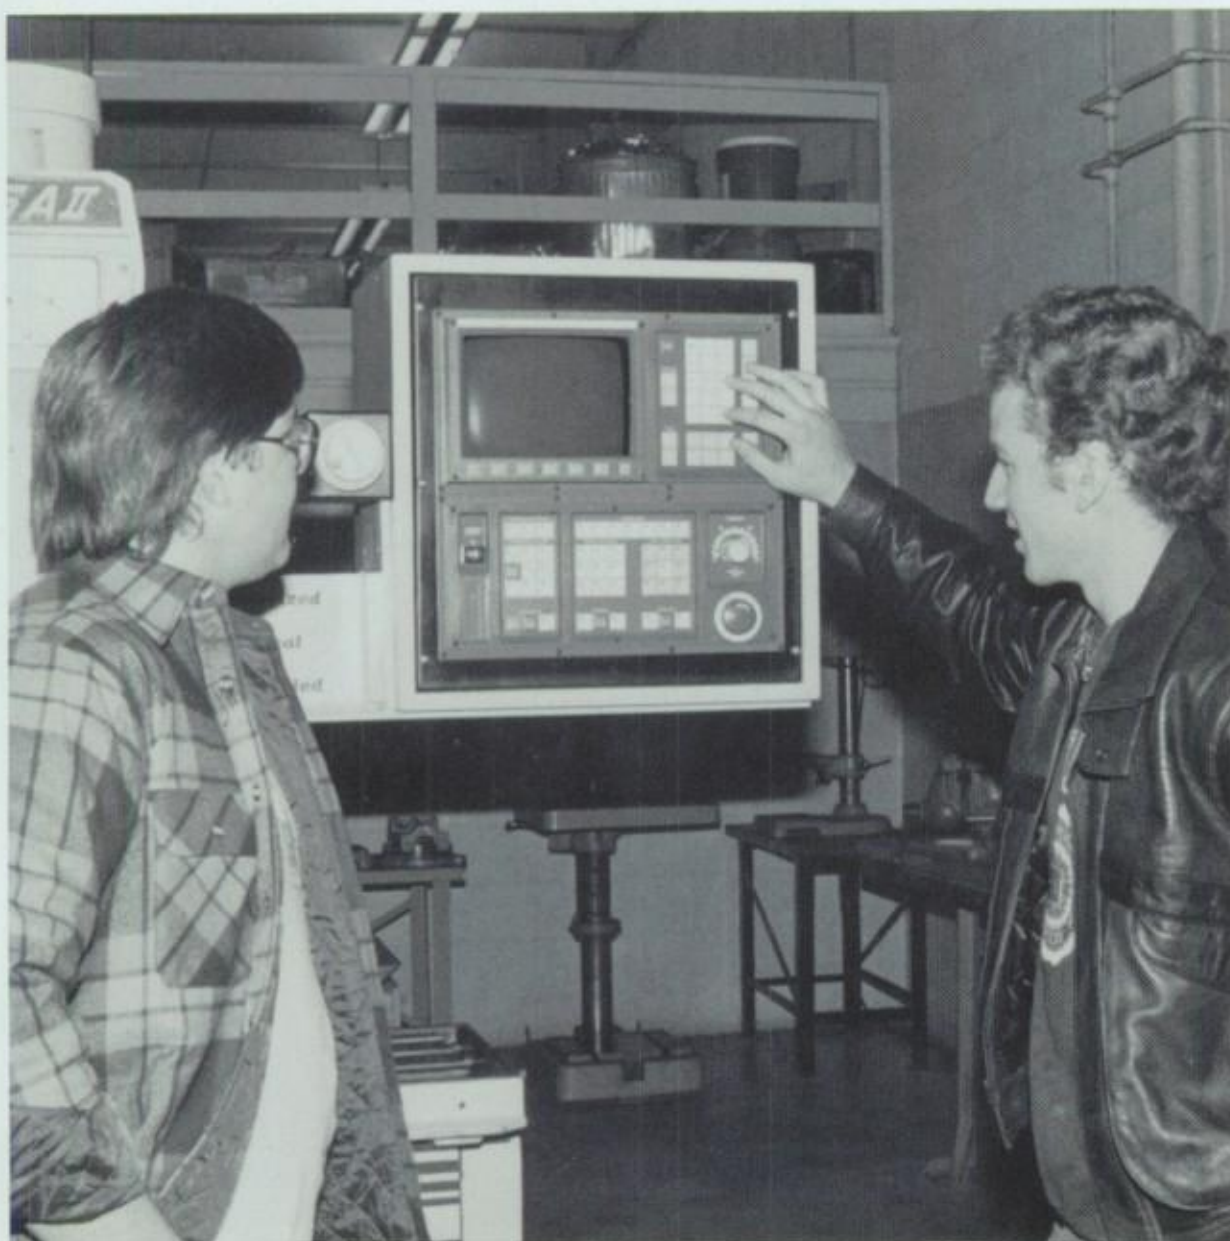

They are ready! Warwick students who participate in programs at the Lancaster County Area Vocational-Technical School are prepared for employment. Many available courses like Diesel Mechanics, Welding, Food Trades, Electrical Occupations, and Cosmetology, provide the training needed to secure related career positions. Those looking for a head start to success have several educational options: the Full Day Program, in which students attend technical school after an early morning English class at their home school; College Credit, in which nine credits will be granted with successful participation; Advanced Placement, students enroll in an apprenticeship program; and Early Admission. Our Vo-Tech students are perhaps, one step closer than others, to reaching their career goal.

F. F. A.

There are about 77 students currently enrolled in Future Farmers of America. The purpose of this club is to encourage students who are interested in agriculture or agricultural related fields to pursue their interests. Under the direction of Vo-ag teacher, Mr. Gerber, they judge at the PA Farm Show, take field trips to the Lampeter Fair, and attend the State FFA convention at Penn State. To help defray the cost of these field trips they hold annual citrus fruit sales and the Donkey Basketball Game. Anyone interested in a career in agriculture can benefit from a membership in the FFA.

AIASA

AIASA stands for American Industrial Arts Students Association. AIASA is a club for Technical Educational students or any other individual interested in technology education. The students compete in 20 categories at 3 levels: regionals, state, and nationals. The club promotes professionalism, teamwork, and general interest in the technology field. Every year for the past few years at Warwick High School, AIASA has won several competitions at the state level. The advisors of AIASA are Mr. Lefever and Mr. Hartmann.

Lit. Mag.

The Literary Magazine provides an opportunity for all high school students to express their thoughts, feelings, and creativity through poetry, short stories, personal writing narratives, and other forms of genre. The members of this club are responsible for the advertising of the magazine, evaluating submissions, formulating the layout, and ultimately the sale of the magazine. Steph Hess and Robin Reynolds edit this year's magazine. The staff of the Literary Magazine would like to thank their advisor, Mrs. Campagna, for her help and support.

The 1987-88 Literary Magazine staff: Scott Allen, April Amand, Becky Baker, Alli Becker, Julie Bergey, Julie Burkett, Cathy Busha, Eric Bushong, Heather Crownover, Jennifer Haus, Stephanie Hess, Krystal Hibshman, Heather Johnson, Debbie Klaassen, Jason Lamar, Jolanda Lindberg, Julie Matulis, Ray Meese, Tiffany Mellinger, Beth Moran, Robin Reynolds, Diane Roberts, Lori Shaak, Dawn Stauffer.

News paper—

Members of the staff of our school newspaper, "Tee Pee Topics", strive to write articles about issues concerning school interests, and sensitive subjects students should be aware of. This year's supervisor is Mrs. Kathleen King. Sara Hunt and Alice Price co-edit, Heather Jenkins writes the feature column, Allyn English edits sports, and Norene Pontz puts together articles about business. Keeping pace with today's computer age, this year's "Tee Pee Topics" was formatted on computer. This is the first year our paper has been computerized. The staff would like to thank Mr. Droms for all his time and effort made to the paper.

The 1987-88 Newspaper Staff: Hollie Schmidt, Melissa Henderson, Jenny Shelly, Sara Hunt, Alice Price, Heather Jenkins, Michelle Juliano, Tracy Risser, Catharine Waltz, Norene Pontz, Allyn English.

A Student Service That Cares

The purpose of a student government is to have other students to go to if we have a problem, question, or concern with a situation in our school. These are the people to see. Our student government performs many tasks throughout the year. Each year they have a new student tea. This provides a way for new students to meet the student government as well as the other new students. At this time, the new person may feel free to ask any questions he or she may have about our school. Another tea that they give is the Senior Citizen tea. This enables senior citizens in our community to see our school and some of our routine. Throughout the year, the student government offers many other activities. Two examples of these include the Student Government sponsored dance and the student exchange day. This is where other students from different schools come to our school and some of our students go to their schools.

So, if you ever have a problem with something in our school, instead of complaining to someone who can't do anything about it or who probably doesn't want to, take it to the student government. They care!!!

Student Government officers: Jenny Swan, Rob Schroeder, Karen Gaughan, and Denise Heisey.

F. O. R. C. E., "Freedom to Overcome and Reject a Chemical Environment," is a group of high school students who are fighting dependency upon drugs and alcohol throughout the school district. Although F. O. R. C. E. is a high school club, they concentrate most of their efforts at the elementary level upon educating the students. F. O. R. C. E. actively participates in the "Just Say No" campaign by establishing clubs for the fourth and fifth graders in each elementary school. The officers of F. O. R. C. E. are as follows: Cathy Hevener (president), Wendy Kiehl (vice president), Kathy Bard (secretary), and Jodi Musser (treasurer). In the future, F.O.R.C.E. hopes to further awareness about the hazards of drugs and alcohol and exemplify the many advantages to a drug-free lifestyle.

Best Defense is Self-Defense

We're friends, really!!!

Nice block, Matt!

Go ahead, make my day!!!

Oh no, a shot to the neck!

We have a need to know. Self-defense is the experimental and increasingly popular new club at Warwick this year. Junior Jim Husser is the second degree black belt who organized the club, and instructs students in Moo Dus Kuan. Jim was compelled to teach the art of self-defense because he feels a great sense of satisfaction; "everyone should know how to protect themselves." His mastery of the art has been beneficial to students, as well as earning him a position in Nye's Tigers Martial Arts Academy where he competes in kickboxing competitions. Certainly one of the most inspiring stories to evolve at Warwick this year, our real life "Karate Kid" will continue to share his talents with other students.

Club advisor, our own "Karate Kid", Jim Husser.

The publishing of this year's *Warrior* came with many ups and downs. Hours of time were spent trying to make this year's yearbook the best it could be. As the editor of the yearbook, I'd like to thank all the staff for doing a tremendous job and for sticking with it through the many trials and delays. I'd also like to thank Mr. Iovino and Mr. George as well as the rest of the faculty for taking the time to help us put this yearbook together. A very special thank-you goes to Mrs. Witmyer for putting up with the antics and the many mood changes of the staff. Without her this book wouldn't be possible. Two people who stay behind the scenes but deserve a lot of credit are Mr. Al Oussoren and Mr. Pete Cardascia, Al is the Herff-Jones representative for our school, and Pete is the yearbook photographer. Thanks a lot for all your help! Last of all, I'd like to thank my co-editor, Stacey Brown for her help and dedication to the yearbook. My sincere hope for you is that the *Warrior* will remain special to you and help preserve the memories of your high school years.

Fall Play Is A Success!

Every year the Drama club of Warwick High School presents a play to public. This year they chose to put on the production of "The Crucible." Written by Arthur Miller, this play deals with the Salem Witch Trials of 1692. Miss Couch directed the play. The play opens with a group of girls caught dancing in the woods. In those days dancing was considered to be sin. The girls were afraid of what the punishment would be and became suddenly ill. The townspeople are sure the girls have been bewitched, and accusations are being thrown every which way as to who bewitched the girls. One of the girls accuses a woman, then another girl accuses someone else, and so on till many people are accused. There is a big trial, and many people are sentenced to hang for witchcraft. This play is a definite tale of sin and witchcraft. It is also one that looks directly on the innocence of children and lets us see how innocent some can really be.

The cast of "The Crucible": Chris Nagle-John Proctor, Stephie Hess-Elizabeth Proctor, Karen Pisano-Abigail Williams, John Peters-Rev. Hale, Jenny Allshouse-Betty Paris, Tony Horvath-Rev. S. Parris, Jeni Miller-Tituba, Sue Chairatananuwat-Susanna Walcott, Renee Willard-Ann Putnam, Jason Zeiders-Thomas Putnam, Carissa Brendel-Mercy Lewis, Megan Reardon-Mary Warren, Tiffany Davidson-Rebecca Nurse, Rick Reardon-Giles, Ben Allshouse-Francis Nurse, Dan Gallton-Ezekiel Cheever, Josh Johns-John Willard, Kevin Dodge-Judge Hawthorne, Don Mitchell-Deputy Governor Danforth, Rachel Weidman-Sarah Good, Matt Griffith-Hopkins.

A heartwarming scene between Chris Nagle and Steph Hess.
The dedicated cast of "The Crucible."

Many hours of work were put into the play by this cast.

The final act, this play was truly a success. Acting on stage, is what these people look forward to all year. When it comes to "Witchcraft," these people know their stuff.

SINGING A NEW TUNE

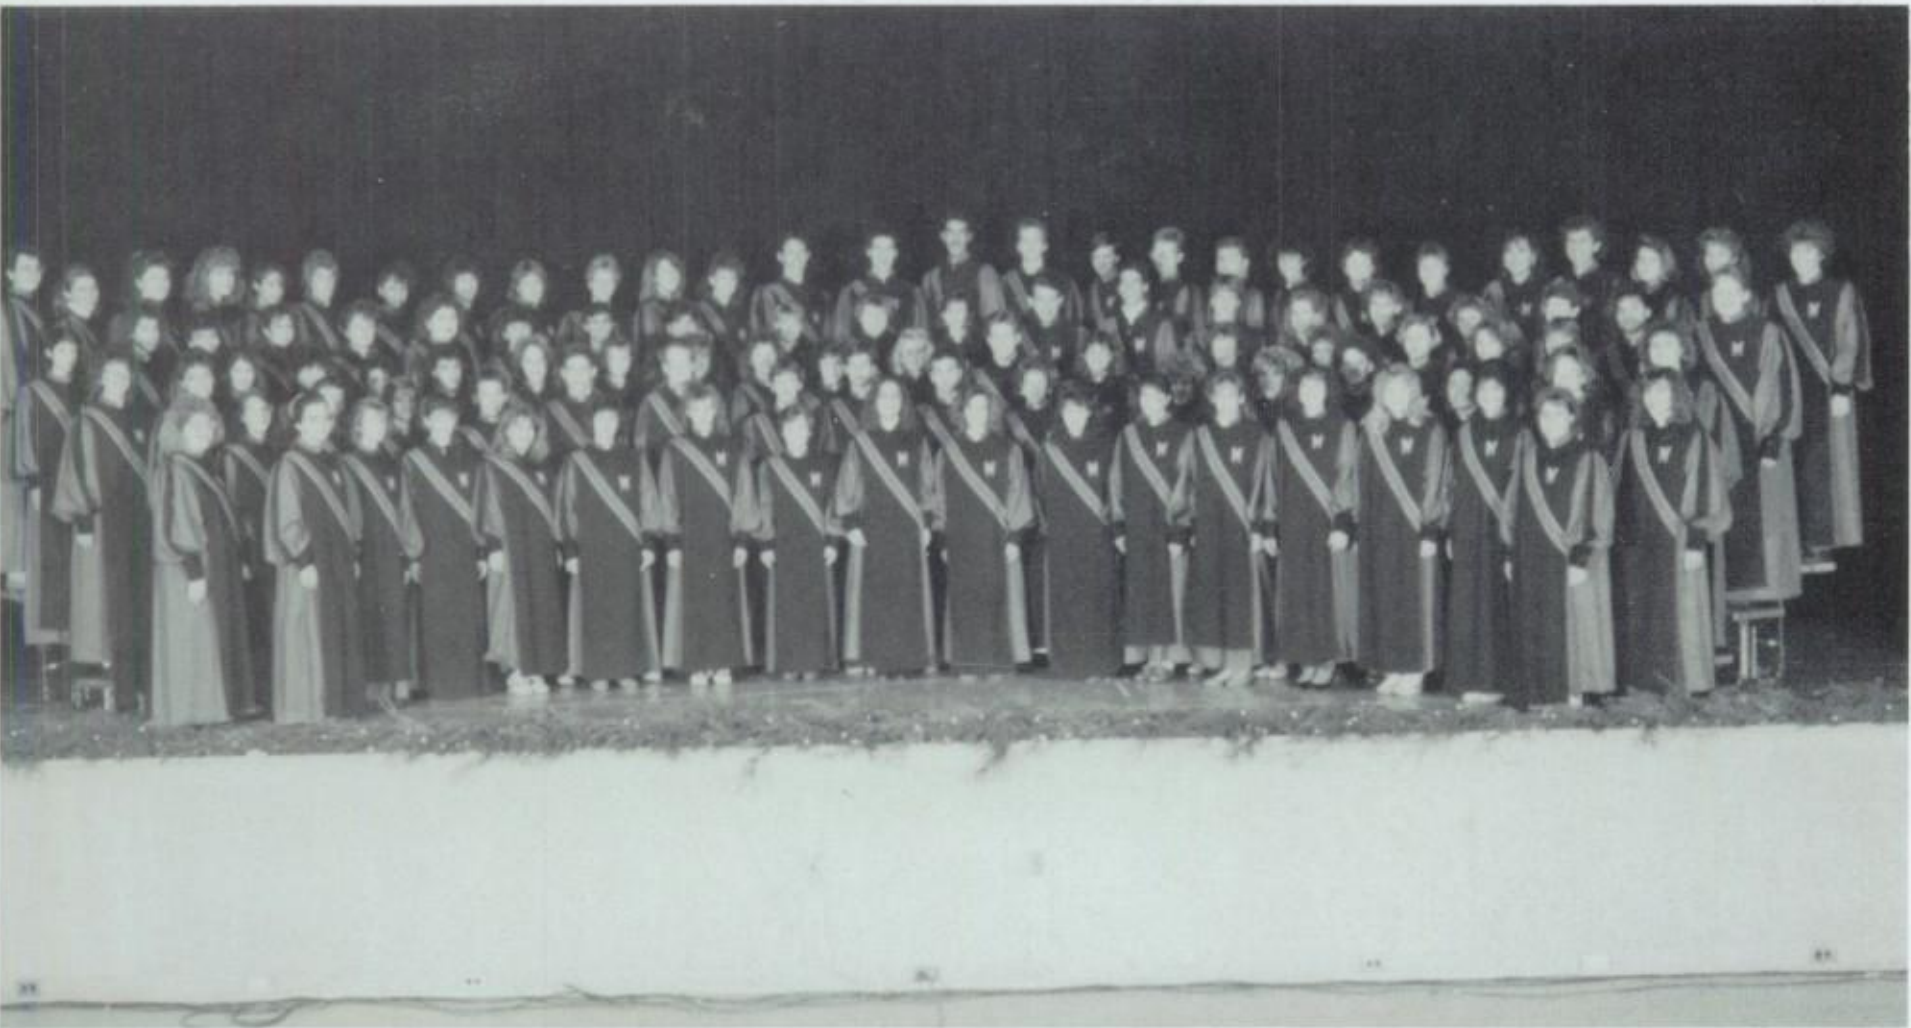

The Warwick High School Concert Choir had a year filled with changes. Miss Debbie Kline, the new director, came into the year with new ideas and a determination to make the Concert Choir work to its potential. For this year's Christmas presentation, songs were chosen which were both contemporary and traditional. The Show Choir performed a program called "Home for the Holidays," a sort of musical short story. Besides performing at the scheduled concert, the Show Choir also performed throughout the area at various times. Along with the Show Choir, a group called Chamber Singers was formed. Chamber Singers is primarily a madrigal group, singing their songs a capella. Along with performing in Concert Choir, many students were selected to perform in County Chorus, District Chorus, Regional Chorus, or Honors Choir. John Peters was also selected as County Chorus accompanist. This year's Concert Choir also performed in a Spring concert and Baccalaureate. The Seniors in the Concert Choir sang at Graduation. With a blend of beautiful voices, the Concert Choir made music last throughout the year.

HARMONIOUS BEAUTY

Although the High School Orchestra is small in size, it is large in sound. The Orchestra gave three outstanding concerts this year. Most of the fall was spent preparing for the Christmas Concert which was performed with the Concert Choir in early December. The Orchestra also performed at the Spring Concert and Baccalaureate. The Orchestra is under the Direction of Mr. Dale Weller, with the String Section being supervised by Mrs. Jane Shaeffer. These talented musicians are to be commended on a great year.

KEEPING THE BEAT

The 1987 season was an exciting one for the Warwick High School Marching Band. Not only was the fall filled with competitions and football performances, but it was also filled with preparations for a trip to London over Christmas vacation. Musical selections for this year's field show included: "Carnival Overture" by Antonin Dvorak, "Le Jazz Hot" and "Crazy World," from the movie *Victor/Victoria* and "One Day More," from *Les Miserables*. Although this competition season was full of delays, the band persevered, winning several first place awards and placing second at the state competition. The 1987 student officers of the Warwick Band were: Mel Yelagotes, President, Beth Leininger and Kathy Bard, Vice Presidents, and Mel Stine, Secretary. Stephanie Keebler, Renee Willard, and John Peters were the Drum Majors. The band is to be congratulated on a winning season and is wished the best of luck for next year.

State Band: Scott Weller and Beth Leining.

Regional Band: Dana Yelagotes, Scott Weller, and Beth Leining.

District Band: Beth Leining, Mel Yelagotes, Dana Yelagotes, and Craig Knepper, and Scott Weller.

Honors Band: Katie Koncle.

LOOK! BIG BEN! PARLIAMENT!

For the Christmas break the Warwick High School Marching Band decided they needed a change of scenery, so they went to London, England. From the moment the band boarded the bus to go to the airport, the feeling was one of excitement and anticipation. The airplane ride was the first for many band members, and as the plane taxied down the runway, fists clenched on armrests as the captain announced takeoff. The week in London was tiring but exciting. Sights like Big Ben, Parliament, and the Tower Bridge delighted all who saw them. It seemed to many band members that to get anywhere in London one had to drive past Big Ben and Parliament, now very familiar sights to all involved. Perhaps the most beautiful part of England was its countryside. With quaint villages and a quiet tranquility, the countryside seemed to many the perfect place to live. Along with seeing the famous sights, many band members also saw plays, a thrilling first-time experience for many. At the end of the week, however, came the Big Parade, the real reason the band was in London. Although rain dampened the day, the band's spirits were high as they marched down the thoroughfares of London. For most, the week-long stay was far too short. Truthfully, when else could one have so much fun as when visiting a foreign country with friends and having new experiences, like that thrilling 6 a.m. fire drill, all in one week.

Juniors, is this really your class president?

I swear I saw a ghost walking across the bridge. Home for a week, The Tower Thistle Hotel.

Wonder if we'll look this good after six hours on a plane in economy seats?

N.H.S. Inducts Sixty New Members

Speakers for the induction were: Cathy Hevener, Wendy Kiehl, Chris Nagle, Carol Bollinger, and Diane Nixdorf.

The 1987-88 National Honor Society was very active coordinating a variety of activities and projects this year. Almost every month, the NHS had something new and rewarding to do. In December, they organized a Christmas party for the families of children with Cystic Fibrosis where 300 people attended. The group prepared and served a turkey dinner for their guests. For entertainment, the show choir sang various uplifting songs. At the close of the evening, every child received a Christmas gift that was donated. In April, NHS along with the student government sponsored a senior citizens tea, which was very successful as it has been in other years. In May, NHS members acted as aides at the I.U. 13 Challenge Day. The Challenge Day is a special olympics for children who have physical or mental handicaps. This experience was personally rewarding to the NHS members that participated — watching the children's faces shine with excitement on that very special day. On Wednesday, May 25, 1988, the Warwick Chapter of the National Honor Society held its annual induction ceremony. Sixty new members joined this organization. Every new member had accumulated at least a 3.25 grade point average by the end of their third semester of the 1987-88 school year. This ceremony included speaker, Dr. John Bonfield, introducing new members, the lighting of the candles, and the reciting of the National Honor Society Pledge.

New inductees of NHS: Row 1 — Janelle Miller, Cynthia Stauffer, Jill Ivey, Tracy Risser, Dana Yelagotes, Heather Wardell, Michelle Weinlick, Alise Valudes, Gretchen Trefny, Deb Shenk. Row 2 — Shawna Horn, Missy Adams, Jean Mekolichick, Jolanda Lindberg, Esther Becker, Amy Sechrist, Heather Crowner, Jen Anonia, Kirsten Zug, Monica Rosensteel, Lisa Winters, Heather Johnson. Row 3 — Cathy Busha, Tricia Haas, Sue Badorf, Angie Zwally, Heather Logan, Karen Pisano, Jodi Musser, Carolyn Jones, Melissa Youngblood, Kathy Bard, Heather Ruth, Cathy Brown. Row 4 — Derek Shenenberger, Mike Boyer, Tom Garrett, Dave Mooney, Craig Schneider, Steve Blankenmyer, Mike Davidson, John Peters, John Gaughan, Josh Johns, Brian Kerstetter, Dave Schaich, Dana Clark, Lamar Martin, Heather Leberfinger. Missing: Huy Truong.

The 1988 Warwick Track Team, lead by senior co-captains, Bill Wentling and Rob Dodson, finished second in the section. Their league record of five and one shows this team had several athletes with experience. Jed Althouse was the top scorer this season with 152 points. Seniors Rob Dodson and Tim McCrary finished second and third with 140 and 103 points. One school record, the 1600m Relay was broken by the combination of Jed Althouse, Marc Kaufman, Dean Shelley, and Mike McCloud with their winning time of 3:30.5. With the help of Coach Bob Derr, next year's team will follow in the footsteps of these talented athletes.

Row 4 — Nate Althouse and Chris Swope.

The baseball team had another successful season, finishing second in the Section Four of the L-L league with a record of 10 wins and 6 losses. Their overall record was 11-9. The team was led by a fine group of nine seniors. Co-captains, Darin Brinkman and Shaun Ober, were impressive on the mound for the Warriors, each breaking the school record for career strikeouts. Offensively, the Warriors were led by four-year starter, Mark Will, who led the team in most offensive categories.

Way to pitch that ball, Darin!

Can you believe that call?

Warwick Girls Softball came very close to tying for second place this season. Power and defense were the strong points for the Warrioretts this year. All the girls were strong players and had total concentration during each game. The individual leader was Cathy Hevener. Cathy had the best batting average, most hits, doubles, and was second in RBI's. In addition to these accomplishments Cathy was also the number one pitcher on the squad. Maura Rowlands was the starting third baseman for the team. Maura had the most appearances at bat, and led the team in RBI's. Wendy Kiehl and Kathy Gehman also were starters for the team. Wendy made excellent plays from center field. Kathy contributed many great plays from second base.

Congratulations Warrioretts for a great season and a job well done.

season

Row one — Daryl Bowman, Ray Mease, Pete Sheppard, Mike Henderson, Noel Poirier, Rod Welch, and Keith Good. Row 2 — Coach Ron Wanner, Eric Risser, Keith Mellinger, Lee Faus, Brad Nicary, Anthony Boll, Charlie Schoeder, Chris Rush, Greg Esbenshade, and Aaron Fry.

In a meet against Dallastown, Pete Sheppard returns the ball to his opponent.

With only two starters returning from last year's team, this year's squad turned in a good performance.

The team played a difficult non-league schedule, but won four matches in a row over league opponents to finish the season.

Senior Mike Henderson held down the #1 spot for the season, and played much of the season while battling injuries as well as opponents.

At spot #2, sophomore Andy Allwein was involved in many close matches. He gained valuable experience and finished with back to back victories.

The other starting senior singles player — #3 Pete Sheppard — turned in a strong performance as evidenced by his record. Pete also teamed with our third senior, Noel Poirier, to form a strong doubles combination that won six of seven matches that they played in.

At spot #4, sophomore Greg Esbenshade had a strong season while gaining experience for next year.

Junior Chris Rush as #5 had the best record on the squad. He is the lone junior returning from this year's squad, and will be counted on heavily for next season.

Sophomore Ray Mease and senior Noel Poirier also saw singles action during the course of the season.

Looking ahead to next season — there will be four returning letter winners:

Chris Rush Jr

Andy Allwein *Soph*

Greg Esbenshade *Soph*

Ray Meese *Soph*

It will be interesting to see if we can improve on this year's record.

"Joseph" Lights Up the Stage

The magic of Andrew Lloyd Webber and Tim Rice graced the Warwick stage on March 3, 4, 5, as the Warwick Acting Company presented "Joseph and the Technicolor Dreamcoat." "Joseph" was the first of many spectacular musicals, such as "Cats" and "Phantom of the Opera," that Webber produced.

"Joseph," termed a modern rock opera, blends the biblical account of Joseph, the eleventh of Jacob's twelve sons, with music from the Jazz era, the Fifties, the Sixties, and the present to create an upbeat, dazzling show.

The cast, crew, pit orchestra, and art department at Warwick worked hard for two solid months preparing for this incredible performance.

The cast was as follows:

Joseph	John Peters
Pharaoh	Chris Nagle
Narrators	Michele Oehme Renee Willard
Joseph's brothers	Kevin Dodge Andy Allwein Don Mitchell Greg Oehme (also the Baker) Josh Johns Doug DeLong (also the Butler) Jason Zeiders Dan Wagner James Flory Keith Mellinger
Jacob	Dave Pickel
Potiphar	Dan Wagner
Mrs. Potiphar	Karen Pisano
Dancers	Amy Andrew, Wendy Foltz, Sherry Hutto, Jill Ivey, Carolyn Jones, Jenny Miller, Karen Nordberg, and Sue Randall.

Orchestra Director	Dale Weller

The cast would like to thank everyone who participated in the preparations of "Joseph."

The Pharaoh poses with his lovely dancers.

The narrators, Michelle Oehme and Renee Willard, present the Pharaoh, Chris Nagle and Joseph, John Peters,

Joseph's twelve jealous brothers sold him to gypsies, but told their father that he died.

The rich Potiphar and his wife, Dan Wagner and Karen Pisano, bought Joseph as a servant.

Without the dedicated crew, the play wouldn't have been possible!

The outstanding cast of "Joseph" deserves a round of applause.

Talent Show

Student Council hosted the 1987-88 Talent Show. A sampling of Warwicks finest came together to present some truly memorable entertainment. Acts included choreography from seven Warwick dancers, three talented solo ballad singers, and a host of student and local bands. With everything for New Wave, to Rap, to Jason Fry's fantastic jazz piano, the students became emotionally involved in seeing their friends in the spotlight. "The Briggands" invited everyone to their rendition of "Twist and Shout" and Pete Ringer rapped through the grand finale. Certainly those involved and this years audience will remember this fine talent show and student presentation.

Around the World

Dr. and Mrs. Bonfield boogie down with the best of them.

The day began like every other school day. The changes began with an early dismissal at 10:46 for every junior or senior attending the prom. After leaving the Warwick school building, last minute details had to be taken care of; for example, picking up flowers, tuxedos, etc. As the day progressed, nerves began to unravel. Questions of doubt began to eat inside of many people. "Do I still fit in my dress?" "Are my pants long enough?" "Will she like her corsage?" "Did my tanning salon visits pay off?" "Will he think I'm beautiful?" Beautiful. That is just how the girls looked in their various gowns, especially the Prom Queen, Angela Forry, and her date, Shawn Ober. The guys looked very handsome, a far cry from how we usually see them at school. The food was great — starting with a tossed salad as an appetizer, then on to chicken cordon bleu, and lastly, chocolate mousse. After stuffing ourselves, we had to dance all night in order to lose all the extra pounds picked up during the meal. From the twist to new wave dancing, everyone had a great time. All in all, the prom was a complete success.

Seniors Make A Soft Landing In Florida

First of all it began with not a wink of sleep for all of us who were not too excited about our first flight! The trip began at the high school with four buses ready to take the eager seniors and chaperones to Philadelphia. The chaperones who dared to go along included: Mr. Blose, Mr. Stutzman, Mr. Snyder, Mr. Droms, Miss Smith, Miss Spengler, Mr. and Mrs. Hersey, Mrs. Horning, Mrs. Snavely, Mr. Macik, Mrs. Remaley, and Mr. Iovino. Upon arriving in Florida, we took buses to our hotel, Delta Court of Flags. After dropping our luggage off in our hotel, we continued on to Epcot Center. Those attending Grad night, left Epcot at 6:00 p.m. and had a pizza party, where some people showed a very big appetite. Then it was time to get ready for Grad Night. Although it began raining, it did not dampen our spir-

its. And just as soon as we purchased rain coats, the rain stopped. Many of the rides were open, including, Space Mountain. Day number two was an entire day of Wet and Wild. Most of the senior class and the chaperones experienced the Kama-caze slide. Some people left their nerves at home and enjoyed the ninety degree weather. The wave pool relieved some of the heat. The third day was a full day of Epcot and Disney World. And if you took the ferry boat, you could see Goofey and Donald Duck water ski. The last day of the class trip was spent at Daytona Beach. Some of the seniors and chaperones rented dune buggies. Seniors that were 18 years old were allowed to rent motorcycles. The class trip was an event that the class of 88 will never forget.

Students Honored at Graduation

"Education is not just preparation for life: education is life itself." As these words by Heidi Gardner echoed through the filled stands, 178 Warwick High School seniors were about to graduate. This was Warwick's 32nd annual commencement during which four prominent students gave speeches on the topics of Curiosity (Angie Forry), Understanding (Philip Marks), Responsibility (Eric Flickinger), and Self-Awareness (Heidi Gardner).

With the help of Principal Stephen Iovino, the graduates took a trip down memory lane. For instance, in 1970, when a majority of the graduates were born, the basic car cost \$2,500. "Also that year, Richard Nixon was President, an attempt to quell an anti-war demonstration at Kent State took the lives of four students, and Sesame Street was born."

After his address to the graduates and a short speech to the parents and faculty by Dr. John R. Bonfield, Mr. Iovino gave out awards to the class of 1988. Angie Forry received the Valedictorian Award, the Lititz Lion's Club Academic Award, an honors award, and an engraved wristwatch presented by the Warwick Township Lion's Club. Heidi Gardner was presented with an honors award and a Lititz Lion's Club Academic Award. Beth Leininger received the Harold W. Swisher Music Award. Her name will be added to a plaque which is displayed at the high school. She also received an honors award.

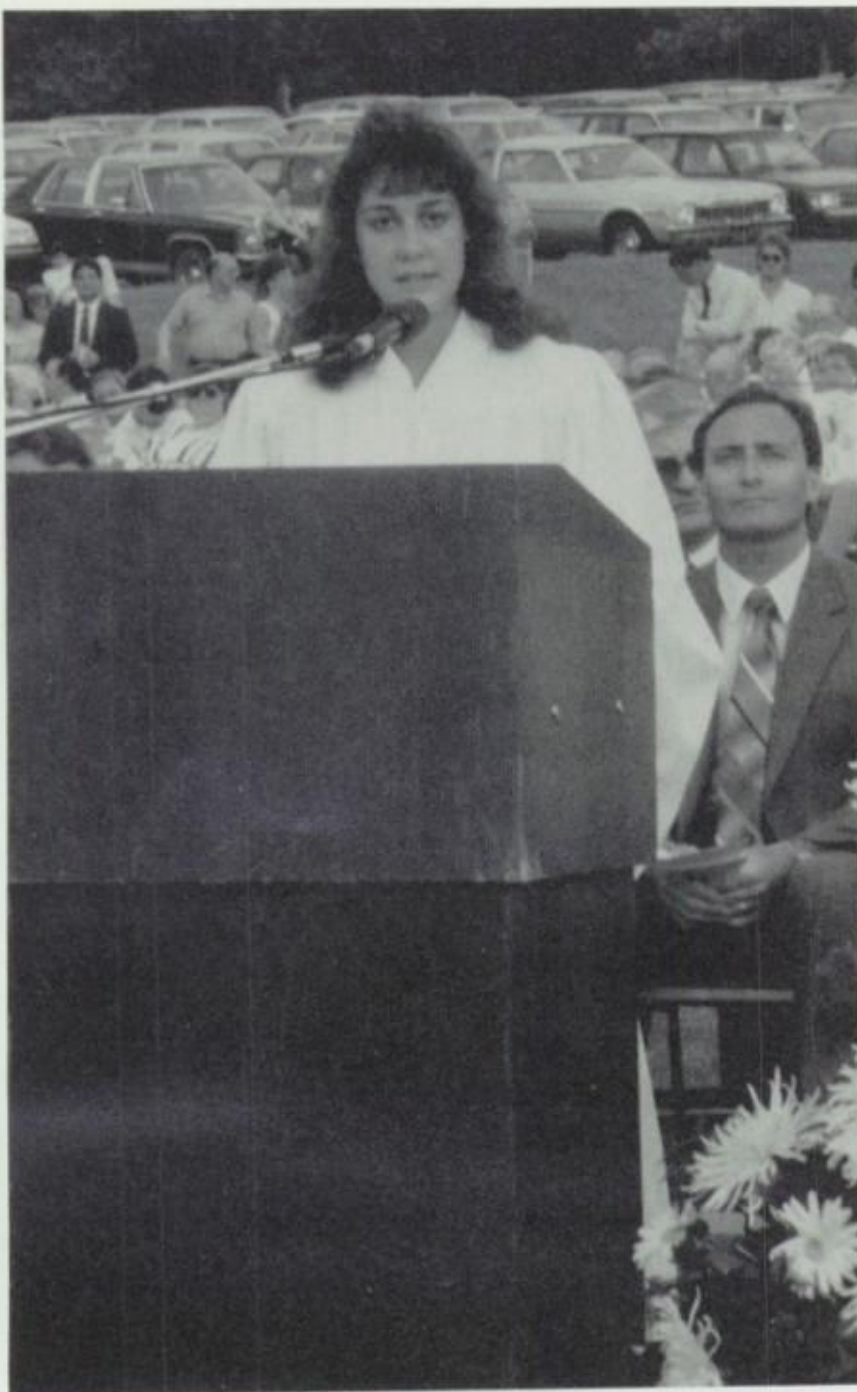

Other graduates who were presented with awards included the following: Jennifer Bear, Cathy Hevener, Wendy Kiehl, Shawn Ober, Maura Rowlands, Renee Willard, and Krista Zimmerman. The following graduates received honors awards: Carol Bollinger, Tamara Krentz, Diane Nixdorf, and Leanne Weit. To finish the evening, five foreign exchange students who attended Warwick during the 1987-1988 school year were presented with an American flag.
